WHO WE ARE

A Movement Built on Two Wheels

The Rewa District Cycling Association (RDCA) is the driving force behind cycling culture in the Vindhya region of Madhya Pradesh. What began as a passion project has grown into the region's most anticipated sporting movement — built by riders, for riders, and now open to partners who share our vision.

FOUNDER'S NOTE

“Cycling changed the way I see distance, discipline, and community. NV Cyclothon is our way of bringing that change to every rider in the Vindhya region — one edition at a time.”
